Ministry Affiliation Information And Application

Welcome

Thank you for your interest in becoming part of this great and mighty vision, given for the purpose of uniting churches who share in the goal of “Evangelizing” the world.

The Worldwide Church of Jesus Christ (WCJC) is a registered and legal ministry under the covering of Christian Alliance Ministries Worldwide, recognized in the United States of America.

Our aim is to help equip churches with the knowledge and understanding of reaching the world for our Lord and Savior, Jesus Christ.

WCJC has the resources of the ministries of Christian Alliance Ministries Worldwide, which include, Northwestern Theological Seminary, In His Power Only Prayer Ministry, Prisoners for Christ Ministry, Firescape Evangelistic Team, NASA Sports Ministries Worldwide, St. Paul’s Educational and Counseling Outreach Center, The Theology Journal, The International Association of Christian Theologians, and over 100 Northwestern Theological Branch Seminaries literally found around the world.

Christian Alliance Ministries Worldwide, with a membership of over 35,000 around the world, has been directed by the Holy Spirit to unite this work by providing Charter Memberships, through WCJC, to Independent Ministries, regardless of size or denominational outlook, around the world. WCJC is a non-denominational body. Churches chartered by WCJC will operate under their current names, with the inclusion of the affiliation to the “Worldwide Church of Jesus Christ”. An example of this is, a church whose name is The Church of the Resurrection, will actually read, “The Church of the Resurrection, an affiliate church of the Worldwide Church of Jesus Christ”. Each church will operate independently maintaining their current system of disciplines and teachings, but always maintaining sound doctrine in Biblical foundation.
