

Missions Program

Our Missionary Outreach provides an opportunity for the average individual like yourself, who does not have the ability to serve in the mission field, because of other commitments and responsibilities at home that prevent continuous travel, to do your part in obedience to serving the Lord Jesus in assisting our missionaries. Our missionaries can then be your hands and feet and lips as they go out into the mission field and reach those whom you are unable to reach with the Gospel of Jesus Christ.

Our missionaries are used of the Lord to assist in Church Planting and in guiding small churches to grow as well as providing program content through implementation of our branch seminary programs to make disciples for the Lord, so that more ministers can be educated to start still more churches and ministries worldwide.

Our missionaries are ministers, teachers and counselors who assist in the development of ministries. The scripture says: "And the things that you have heard from me in the presence of many witnesses, these entrust to faithful men, who will be able to teach others also (2 Timothy 2:2)

Our missionaries are ministers, teachers and counselors!

Please consider helping to equip the Missionary Minister who is sharing this opportunity with you today, to do that work that you are not able to fulfill.

Your providing for just 1 or 2 shares, will ensure that \$20 or \$40 every Month goes to help support this missionary family as they travel from city to city equipping others to be mighty ministers, winning souls, making disciples and adding to the Church of Jesus Christ daily.

Why not make an investment that pays eternal dividends.

Your commitment to just a share or two to support the missionary who gave you this brochure will have eternal consequences. Who knows how many souls can be reached, just because you cared enough to help out.

Can we count on you for just a share or two of support?

Educational Ministry

"Educating the world for Jesus Christ"

Northwestern Theological Seminary was originated 25 years ago as part of Christian Alliance Ministries in Detroit where we offered our first college level, Bible based curriculum. Today we have over 180 branches in 25 countries, including 3-Universities and a Christian

elementary school.

NTS offers theologically accredited degree programs through our online seminary and through our branch seminary programs worldwide. NTS allows our chartered ministries, to open branches of our seminary and award a 4 year Bachelor Degree for which other ministries are allowed to keep 100% of the tuitions for use in ministry development.

Our goal as a seminary is to do our part in the Great Commission by making disciples for our Lord through Bible based, Christ centered education.

The Worldwide Church of Jesus Christ...
Grow! Belong! Impact!
Serve! Worship!

The Worldwide Church of Jesus Christ stands by the scripture which states, "Faith cometh by hearing and hearing by the Word of God (Rom 10:17).

We are a Christ centered Bible believing Church organization whose Doctrinal Statement is fully and unquestionably

supported by God's Holy Word.

You can view our Doctrinal Position at our: www.theologyjournal.com website.

We believe that as members of the Body of Jesus Christ, we are His Church and that we have an obligation to obey God's commands and specifically the Great Commission Given by our Lord Jesus Christ (Mt. 28:18-20).

In obedience to our Lord's Greatest Command, we are winning souls and making disciples in over 25 countries and adding to our numbers daily even as the Church was doing in the Book of Acts.

God is raising up a mighty congregation of believers, to carry His mantle in this the New Millennium. There have been many Great moves of God over the centuries and we believe that we have been given His Vision, purpose and direction as one of His called out assemblies for this the New Millennium. We have a great responsibility, yet he has empowered us by His anointing to

accomplish all that He has called us to do. You can be assured, His Vision is perfect, and never fails to be established.

We are presently established in North America, Central America, South America, The Caribbean, Asia, Africa, The Middle East and Europe and we have been preparing for six months to launch our church planting and branch seminary programs into all of the Provinces of Mainland China this year.

We anticipate Millions of souls to be saved and to be made His disciples, so that His Kingdom would increase to the honor and Glory of our Lord Jesus Christ.

Our calling and mandate is clear and concise, we will not turn to the right or to the left but we will continue to move straight ahead in fulfillment of His Will as we continue planting and developing soul winning and disciple making churches throughout the world with the goal of reaching every nation with the Gospel of Salvation by Grace through Faith in the Death, Burial and Resurrection of our Lord and Savior Jesus the Christ.

If you are a new or existing church or ministry, looking to be chartered as part of a worldwide ministry and church organization contact us today and learn about the benefits of affiliation with Christian Alliance Ministries and The Worldwide Church of Jesus Christ.
